

## Pain Management Log

Use this log to help describe and track pain and medication use. Share this log with your Empath Health nurse. The nurse will provide training regarding if and when to give pain medication and the side effects of the medication.

## Wong-Baker FACES® Pain Rating Scale

|    | Date | Time | Pain<br>Score<br>Before<br>Med | Medication<br>Name | Dose<br>Taken | Pain Score<br>Hours After<br>Med | Notes: Location of Pain, Observations, Questions,<br>Side Effects, What Makes It Better or Worse |
|----|------|------|--------------------------------|--------------------|---------------|----------------------------------|--|
| 1  |      |      |                                |                    |               |                                  |  |
| 2  |      |      |                                |                    |               |                                  |  |
| 3  |      |      |                                |                    |               |                                  |  |
| 4  |      |      |                                |                    |               |                                  |  |
| 5  |      |      |                                |                    |               |                                  |  |
| 6  |      |      |                                |                    |               |                                  |  |
| 7  |      |      |                                |                    |               |                                  |  |
| 8  |      |      |                                |                    |               |                                  |  |
| 9  |      |      |                                |                    |               |                                  |  |
| 10 |      |      |                                |                    |               |                                  |  |
| 11 |      |      |                                |                    |               |                                  |  |
| 12 |      |      |                                |                    |               |                                  |  |
| 13 |      |      |                                |                    |               |                                  |  |
| 14 |      |      |                                |                    |               |                                  |  |
| 15 |      |      |                                |                    |               |                                  |  |
